@

@[fboss](#) [#EdchatIE](#) sorry I missed tonight. Great idea to suggest tech meetings. DRHEA eLearning Summer School, June. Will keep you posted.

16 minutes ago

fboss fboss

RT @[Parents_GortCS](#): [#coolschools](#) iPod Touch in the Classroom (St. Aidan's PS, Enniscorthy) <http://ow.ly/4o9nw> /via @[CESItweets#edchatie](#)

30 minutes ago

Parents_GortCS Parents Assoc GortCS

[#edchatie](#) One way parents can commun/collab w teachers is via Twitter. Our Twitter account has led to some great parent-teacher discussions.

30 minutes ago

crumphelen Helen Crump

another [#edchatie](#) passed me by. Looks like it was right up my alley. Technology as sites of practice is a useful metaphor (not just a tool)

37 minutes ago

catherinecronin Catherine Cronin

Just home, seems like another great [#edchatie](#)! Info for parents shared regularly at @[parents_gortcs](#). See Favorites for [#coolschools](#) examples

52 minutes ago

pamelaaobrien Pam

If you want to share what you do with other teachers - few workshop slots still available for @[ictedu](#). Email schools@tippinst.ie [#edchatIE](#)

58 minutes ago

lissmiss Ban Ryan

DigiTeach articles a good way to showcase good practice. Just gone live now: <http://bit.ly/eCzcUa> **#edchatie** . Thanks Enda;)

59 minutes ago

AnseoAMuinteoir Anseo a Mhuinteoir

@[ohsomuchbetter](#) would you be interested in **#edchatie** next monday? great for sharing teaching ideas etc follow @[fboss](#) for info hon

1 hour ago

donenda Enda D

Thanks to @[fboss](#) for organising another great **#edchatie**

1 hour ago

lissmiss Ban Ryan

I found wikis created during IT courses great for sharing also .Worked really well when I had five schools together **#edchatie**

1 hour ago

dughall Dughall McCormick

@

@[fboss](#) Great stuff. Thanks for that. I'll take a look :-)
#edchatie

1 hour ago

lissmiss Ban Ryan

@

@[magsamond](#) I think so Mags. Less intimidating for everyone.
#edchatie

1 hour ago

fboss fboss

#edchatie summaries and stats will appear here: fboss.delivr.com/15231 as soon after after the chat ends that they can be compiled

1 hour ago

fboss fboss

@

@[dughall](#) Nice to see you - wiki of pas chats is here:

fboss.delivr.com/15231 **#edchatie**

1 hour ago

marloft Mary Loftus

Thanks to all at **#edchatie**. Lots to think about, as usual.

1 hour ago

magsamond Mags Amond

RT @lissmiss: Circle time at staff meeting great for sharing a tech skill also **#edchatie** >>>LOVE that idea - might be easier to start with ;)

1 hour ago

dughall Dughall McCormick

@

@johnmayo No problem! I'll keep an eye out for future ones :-)**#edchatIE**

1 hour ago

@

@magsamond #edchatie subs regularly share resources but find its not so obv in perm teachers, would love to offer all I can

1 hour ago

donenda Enda D

DigiTeach articles also a good way to showcase good practice. New one just gone live now: <http://bit.ly/eCzcUa> #edchatie

1 hour ago

lissmiss Ban Ryan

@

@seomraranga I agree;) #edchatie

1 hour ago

annemmcm Anne McMorrough

RT@seomraranga @lissmiss #edchatie I'm sure my pupils will testify from #cesi2011 that they can also encourage the reluctant teacher!

1 hour ago

magsamond Mags Amond

#edchatie evidence from other classrooms is priceless but sooooh hard to obtain. Maybe that's what WE could offer?

1 hour ago

fboss fboss

@

@sharonflynn Here's one to start with: Tech Teamwork (kids in action) <http://tiny.cc/bz0x5> #edchatie

1 hour ago

NL_84 Nigel Lane

Any schools running a computer club of any description, like

@Pajo23? #edchatie

1 hour ago

AnseoAMuinteoir Anseo a Mhuinteoir

@

@[seomraranga](#) you're class were amazing and a credit!! We could all learn from them [#edchatie](#)

1 hour ago

StephanieBaier Stephanie Baier

[#edchatie](#) FYI - If you're not already using Tweetdeck, it really makes it easier to follow the chats.

1 hour ago

fboss fboss

RT @[seomraranga](#): @[lissmiss](#) [#edchatie](#) I'm sure my pupils will testify from [#cesi2011](#) that they can also encourage the reluctant teacher! Agree

1 hour ago

lissmiss Ban Ryan

@

RT @[BridCarlow](#) teachers listen to other teacher more, parents will have IT skills, maybe not relevant to what teacher wan [#edchatie](#)

1 hour ago

pamelaaobrien Pam

@

@[sharonflynn](#) @[seomraranga](#) [#edchatie](#) as parent offer to get involved - start with own children's teachers. Often well received

1 hour ago

seomraranga Seomra Ranga

@

@[lissmiss](#) [#edchatie](#) I'm sure my pupils will testify from [#cesi2011](#) that they can also encourage the reluctant teacher!

1 hour ago

sharonflynn Sharon Flynn

#edchatIE Better documentation of good case studies and practices? Spread the word? **#edchatIE**

1 hour ago

fboss fboss

@

@sharonflynn - I used to teach tech to parents at the school - could this be reversed? **#edchatie**

1 hour ago

annemmcm Anne McMorrough

@

@magsamond We could try.. and then get them to share something on..! **#edchatie**

1 hour ago

marloft Mary Loftus

RT @nl_84: @sharonflynn: @seomraranga What can parents do to help? **#edchatIE** S/times feel we can't intrude << good q, all partners involved

1 hour ago

fboss fboss

@

@magsamond **#edchatie** - I like it @magsamond "stealth technology" :-)

1 hour ago

lissmiss Ban Ryan

@

@seomraranga @sharonflynn And don't forget the kids. Use them at courses sometimes **#edchatie**

1 hour ago

AnseoAMuinteoir Anseo a Mhuinteoir

#edchatie some schools are slow to take in extras etc, found myself offering to help out a school I'm always in and the offer was refused

1 hour ago

fboss fboss

@

@seomraranga **#edchatie** - in summary: Admins p/vp need to see tech as a useful tool for them first, Buddy syste... (cont)<http://deck.ly/~9gtPu>

1 hour ago

marloft Mary Loftus

RT @seomraranga: **#edchatie** Summary:sharing experience in school, more teach meets, use pupils IT skills, get Ed Centres on board - wht else?

1 hour ago

annemmcm Anne McMorrough

@

@seomraranga project-based work? really easy way of 'seamlessly' integrating ICT, with opp to share too beyond class & school**#edchatie**

1 hour ago

sharonflynn Sharon Flynn

@

@seomraranga **#edchatIE** Many of us are just waiting to be invited, but don't like to butt in!

1 hour ago

treezadcu Teresa Hennessy

#edchatie @NL_84 - baseline skills - questions needs serious consideration - strata of skills involved

1 hour ago

AnseoAMuinteoir Anseo a Mhuinteoir

@

@magsamond great idea **#edchatie**

1 hour ago

NL_84 Nigel Lane

“@sharonflynn: @seomraranga What can parents do to help?**#edchatIE** Sometimes feel we can't intrude.” << good q, all partners in ed involved

1 hour ago

magsamond Mags Amond

#edchatie Challenge - what if each one of us promises to engage ONE reluctant colleague or student this week, and subtly shows an ICT idea?

1 hour ago

fboss fboss

@

@saorog - <http://www.sarg.ie/> **#edchatie**

1 hour ago

seomraranga Seomra Ranga

@

@sharonflynn **#edchatie** That's true, we never mentioned parents, there are lots of them who have IT experience. Could this be harnessed?

1 hour ago

sharonflynn Sharon Flynn

@

@seomraranga What can parents do to help? **#edchatIE** Sometimes feel we can't intrude.

1 hour ago

fboss fboss

RT @magsamond: **#edchatie** LOVE to try mini-TeachMeet within Staff Meeting- maybe could use Croke Park time that way?mmm..watch this space.

1 hour ago

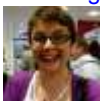

treezadcu Teresa Hennessy

@

@saorog **#edchatie** Teacher assoc for subjects eg history, geog etc - post-primary

1 hour ago

jobadge Jo Badge

@

@sharonflynn just dipping in :-) **#edchatIE**

1 hour ago

seomraranga Seomra Ranga

#edchatie In summary, sharing experience in school, more teach meets, use pupils IT skills, get Ed Centres on board what else?

1 hour ago

fboss fboss

RT @treezadcu: **#edchatie** Subject associations could also be asked to get on the ball - we're all involved in these, could we push for it?

1 hour ago

magsamond Mags Amond

@

@sharonlflynn **#edchatie** Agree Sharon, love to walk past classroom and see student(s) at IWB while teacher stands at side...

1 hour ago

sharonlflynn Sharon Flynn

@

@jobadge Thanks for that Jo. And welcome to **#edchatIE**.

1 hour ago

annemmcm Anne McMorrough

@

@magsamond That's a great idea.. mini-Teach Meet **#edchatie**

1 hour ago

fboss fboss

#edchatie - I'm trying to keep up and nearly there, but the clock also hot on our heels... about 10 mins to go.

1 hour ago

marloft Mary Loftus

RT @sharonlflynn: **#edchatIE** All teachers slowly integrating IWB, each in their own time, encouraged by the children. Lovely to observe.

1 hour ago

saorog Stephen Howell

@

@treezadcu **#edchatie** Here's where my ignorance kicks in - what are subject associations?

1 hour ago

jobadge Jo Badge

@

@sharonflynn IWBs? point them at <http://bit.ly/13ozUc> by @dannynic has everything they need! **#edchatIE**

1 hour ago

fboss fboss

@

@seomraranga ..Make that 2.. **#edchatie**

1 hour ago

magsamond Mags Amond

#edchatie Would LOVE to try mini-TeachMeet within Staff Meeting - maybe could use Croke Park time that way? mmm...watch this space...

1 hour ago

sharonflynn Sharon Flynn

#edchatIE All teachers are slowly integrating IWB activities, each in their own time, encouraged by the children. Lovely to observe. (2/2)

1 hour ago

fboss fboss

RT @annemmcm: @fboss sure, here you go..Tech Teamwork (kids in action) <http://tiny.cc/bz0x5> **#edchatie** @StephanieBaier

1 hour ago

johnmayo John Heffernan

RT @irasocol: need to theme to things "non converted" do now but could do better with **#edchatie** dont theme technologies but content

1 hour ago

sharonflynn Sharon Flynn

#edchatIE Our primary school just installed 14 new IWBs, purchased by parents. Experienced teachers are helping the more reluctant (1/2)

1 hour ago

treezadcu Teresa Hennessy

#edchatie Subject associations could also be asked to get on the ball

1 hour ago

7MJB Mary Jo Bell

#edchatie. Apologies, have to leave. Will read through script later. Thanks @fboss for organising

1 hour ago

fboss fboss

RT @podubhaigh: **#edchatie** One idea is to encourage/entice/cajole/bribe! 1 T per term to give a short pres. on ICT they use at staff meeting

1 hour ago

irasocol Ira Socol

@

@johnmayo need to theme to things "non converted" do now, but could do better with **#edchatie** don't theme technologies but content

1 hour ago

magsamond Mags Amond

@

@johnmayo @saorog Blushing here, but believe strongly in the power of distributed leadership and peer support as catalyts#ceimeet **#edchatie**

1 hour ago

fboss fboss

#edchatie - CESIMEET 2011 vids: <http://www.cesi.ie/conference-2011-videos>

1 hour ago

johnmayo John Heffernan

RT @saorog: @johnmayo Perhaps ICT oriented, subject themed, all welcome teachmeets? #edchatie >> Why not?

1 hour ago

seomraranga Seomra Ranga

@

@marloft #edchatie Are you suggesting supplying everyone with an#ipad2 to encourage non-techie teachers? I'll have one please!

1 hour ago

7MJB Mary Jo Bell

#edchatie Teachers in Special ed meet regularly and share ideas. Teachmeets arranged through Ed centres would be great

1 hour ago

annemmcm Anne McMorrough

@

@fboss sure, here you go..Tech Teamwork (kids in action)<http://tiny.cc/bz0x5> #edchatie

1 hour ago

johnmayo John Heffernan

RT @saorog: #edchatie as lecturer, not much exposure to teachmeet until CESI, now I highly recommend them (and CESI)>> @magsamond take a bow

1 hour ago

lissmiss Ban Ryan

@

@fboss Ed centres -great idea . #edchatie

1 hour ago

irasocol Ira Socol

@

@magsamond That giving up control. Letting kids run with passions<http://www.echonyc.com/~jkarpf/3i/proposal1969.html> #edchatie

1 hour ago

fboss fboss

RT @magsamond: **#edchatie** Can I give a shout out then for teachmeet CESIMeet in Tipp IT on Fri May 13th? All welcome and bring your ideas...

1 hour ago

marloft Mary Loftus

I know a self-proclaimed technophobic teacher for whom iPad has been a real game-changer. **#edchatie**

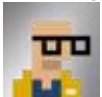

1 hour ago

seomraranga Seomra Ranga

#edchatie @fboss As a start, could every Ed Cen be "encouraged" to organise a teach meet a local level. They could initially use NCTE tutors

1 hour ago

saorog Stephen Howell

#edchatie as a lecturer, not much exposure to teachmeet until CESI, now I highly recommend them (and CESI)

1 hour ago

fboss fboss

RT @donenda: CESImeets - more of em I say! :) **#edchatie** 2nd-ed**#edchatie**

1 hour ago

lissmiss Ban Ryan

@

@seomraranga That's what I used to do when I worked as a sen teacher. Would stay on and help different classteachers each week**#edchatie**

1 hour ago

fboss fboss

@

@saorog - I agree with this - teacher as a guide and a support not necessarily the fount (font ?) of all knowledge **#edchatie**

1 hour ago

NL_84 Nigel Lane

Agreed! > RT @fboss: @annemmcm - could you throw in your link again as it's a great example of students as techies? #edchatie

1 hour ago

pamelaobrien Pam

@

@donenda @johnmayo subject themed meets sound like a good idea. Often get good ideas from people not in your subject area though #edchatie

1 hour ago

magsamond Mags Amond

RT @sharonflynn: @saorog Teachers don't always like relinquishing control to the students. #edchatie >ADDS> this we have to address!!

1 hour ago

AnseoAMuinteoir Anseo a Mhuinteoir

#edchatie student teachers/subs dont often get to hear of teachmeets which is a huge issue dar liom

1 hour ago

saorog Stephen Howell

@johnmayo Perhaps ICT oriented, subject themed, all welcome teachmeets? #edchatie

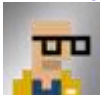

1 hour ago

StephanieBaier Stephanie Baier

#edchatie I have to leave ... :-(. Thanks for all the great ideas!

1 hour ago

saorog Stephen Howell

@sharonflynn I agree RE relinquishing control, but we advise collaboration rather than capitulation. #edchatie

1 hour ago

fboss fboss

@

@[annemmcm](#) - could you throw in your link again as it's a great example of students as techies? **#edchatie**

1 hour ago

seomraranga Seomra Ranga

@

@[lissmiss](#) **#edchatie** Thanks for that. I'm hoping to help out in some classes when I have a student teacher in May.

1 hour ago

magsamond Mags Amond

#edchatie It is great to meet new folk with brill ideas here at edchat - please get involved in CESI @[cesitweets](#) www.cesi.ie we need you all

1 hour ago

sharonflynn Sharon Flynn

RT @[annemmcm](#): @[NL_84](#) I think a lot of creative & collaborative work can be done with a very simple level of ICT. **#edchatie** >> I agree

1 hour ago

7MJB Mary Jo Bell

#edchatie I love the idea of Teachmeets. Sharing/learning from others is the way to go

1 hour ago

fboss fboss

RT @[lissmiss](#): Arrange more teachmeets and make them friendly and sociable - through local ed centres maybe?? **#edchatie**

1 hour ago

pamelaobrien Pam

@

@magsamond CESI meet in Tipp followed by ICT in ed conference on Saturday (@ictedu) Sorry for shameless plug :-) #edchatIE

1 hour ago

magsamond Mags Amond

#edchatIE CESI more than happy to facilitate local TeachMeets - all it takes is an interested few to get it going...

1 hour ago

fboss fboss

RT @saorog: @johnmayo #edchatIE Perhaps an NDLR resource would change reticent teachers' minds? Agree - NDLR have some great resources

1 hour ago

annemmcm Anne McMorrough

@

@NL_84 I think a lot of creative & collaborative work can be done with a very simple level of ICT. #edchatie

1 hour ago

StephanieBaier Stephanie Baier

Baseline skills @NL_84 #edchatie I think this is often ignored. Some teachers can't use technology for its own sake, let alone integrate

1 hour ago

sharonflynn Sharon Flynn

@

@saorog Teachers don't always like relinquishing control to the students. #edchatIE

1 hour ago

lissmiss Ban Ryan

@

@seomraranga You are a great example for sharing #edchatie

1 hour ago

fboss fboss

RT @StephanieBaier: Practical.. @annemmcm #edchatie Start with us. Lead a class yourself and teach someone something great!

1 hour ago

johnmayo John Heffernan

RE Teachmeets/ CESIMEETS we need to get more of the non converted to attend rather than the converted - subject themed Teachmeets? #edchatie

1 hour ago

pamelaaobrien Pam

“@magsamond: #edchatie Can I give a shout out then for teachmeet CESIMeet in Tipp IT on Fri May 13th? All welcome and bring your ideas...”

1 hour ago

7MJB Mary Jo Bell

@

@seomraranga #edchatie I agree. Everyone has an expertise in something, that's why sharing ideas is so important

1 hour ago

pamelaaobrien Pam

@

@annemmcm @seomraranga pupils very comfortable with the technology and not afraid of trying things. Could all learn from them#edchatie

1 hour ago

AnseoAMuinteoir Anseo a Mhuinteoir

yes please!!! RT @donenda: CESImeets - more of em I say! :)#edchatie

1 hour ago

annemmcm Anne McMorrough

@

@StephanieBaier Start with a simple idea and work there. :-)#edchatie

1 hour ago

seomraranga Seomra Ranga

#edchatie What about arranging regional or local teach meets so that more teachers can attend?

1 hour ago

magsamond Mags Amond

#edchatie Can I give a shout out then for teachmeet CESIMeet in Tipp IT on Fri May 13th? All welcome and bring your ideas...

1 hour ago

donenda Enda D

CESImeets - more of em I say! :) **#edchatie**

1 hour ago

saorog Stephen Howell

@

@**StephanieBaier** When promoting Scratch in schools, we tell the teachers to introduce it and then let the students take over! **#edchatIE**

1 hour ago

pamelaaobrien Pam

@

@**lissmiss** teach meets great idea. Good to see what others are doing and how it's working **#edchatie**

1 hour ago

seomraranga Seomra Ranga

#edchatie Sharing expertise within the school has to happen or else the staff is not a "team". No closed doors. Share.

1 hour ago

marloft Mary Loftus

RT @**saorog**: @**fboss** **#edchatIE** Not only teacher confidence, few lecturers at 3rd level demo practical skills live-fear of making a 'mistake'

1 hour ago

annemmcm Anne McMorrough

@

@pamelaabrien @seomraranga The children certainly have great ideas.. we plan to develop this route :-) **#edchatie**

1 hour ago

fboss fboss

RT @annemcm: CALL TO ARMS!! - So what practical ideas can we come up TOGETHER with tonight?! **#edchatie**

1 hour ago

AnseoAMuinteoir Anseo a Mhuinteoir

agree!!!! RT @lissmiss: Arrange more teachmeets and make them friendly and sociable **#edchatie**

1 hour ago

StephanieBaier Stephanie Baier

#edchatie Pupils... That is a fantastic idea. Not all teachers would go for it, but some of them would.

1 hour ago

johnmayo John Heffernan

RT @saorog: @johnmayo **#edchatie** Perhaps an NDLR resource would change reticent teachers' minds?>> I was hoping to get there last week

1 hour ago

NL_84 Nigel Lane

#edchatie What are the baseline skills that teachers need in order to be comfortable integrating ICTs into their teaching?

1 hour ago

fboss fboss

@

@saorog This is very much the same at all levels of education I think - teacher fear of "failure" in front of their class **#edchatie**

1 hour ago

lissmiss Ban Ryan

Arrange more teachmeets and make them friendly and sociable **#edchatie**

1 hour ago

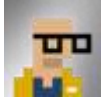

annemmcm Anne McMorrough

@

@**saorog** Hi Stephen! Yes.. good idea.. didn't think of bringing in local ed centre & they are always so supportive **#edchatie**

1 hour ago

saorog Stephen Howell

@

@**johnmayo** **#edchatie** Perhaps an NDLR resource would change reticent teachers' minds?

1 hour ago

pamelaaobrien Pam

@

@**seomraranga** @**annemmcm** getting pupils involved great idea - not all teachers would be comfortable with this though **#edchatie**

1 hour ago

donenda Enda D

@

@**johnmayo** my experience is that the technology for sharing is the easy part, getting the sharing to happen is the real work **#edchatie**

1 hour ago

marloft Mary Loftus

Hi all - sorry late to **#edchatie**. Monday is music night here. Mary Loftus - software developer, trainer & some teaching at 3rd level.

1 hour ago

StephanieBaier Stephanie Baier

Practical.. @**annemmcm** **#edchatie** Start with us. Lead a class yourself and teach someone something great!

1 hour ago

roisin616 Roisin :)

#edchatie In college, a lot of fantastic work with IT was done, but a lot of it was on Macbooks, which most schools cannot afford.

1 hour ago

fboss fboss

Agree with [@johnmayo](#) - there is still a closed classroom door, my kingdom, no sharing mentality in some schools **#edchatie**

1 hour ago

7MJB Mary Jo Bell

@

[@johnmayo](#) **#edchatie** I thought it was just me couldn't see her replies!

1 hour ago

johnmayo John Heffernan

Should NCTE/CESI/ED Centres have a wiki for all teachers to access for sharing resources **#edchatIE**

1 hour ago

AnseoAMuinteoir Anseo a Mhuinteoir

@

[@lissmiss](#) **#edchatie** must learn that trick yet!

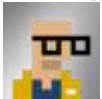

1 hour ago

seomraranga Seomra Ranga

#edchatie [@annemmcm](#) Your idea of harnessing the skills of pupils within a school could also help.

1 hour ago

saorog Stephen Howell

@

[@annemmcm](#) **#edchatIE** Practical Ideas: Your local education centre/college may be delighted to get involved?

1 hour ago

lissmiss Ban Ryan

Create wikis to share [#edchatie](#)

1 hour ago

fboss fboss

RT @donenda: @AnseoAMuinteoir agreed - Examples of 'best practice' can sometimes work well here - with older p/vp - good idea! [#edchatie](#)

1 hour ago

johnmayo John Heffernan

RT @lissmiss: @BridCarlow Here here!! [#edchatie](#) we can't see Brid replies in the the hastag

1 hour ago

pamelaaobrien Pam

@fboss :@NL_84 [#edchatie](#) - using tech in class is also a mix of classroom management skills and teacher confidence too >> absolutely

1 hour ago

treezadcu Teresa Hennessy

@

@magsamond @fboss [#edchatie](#) - completely agree with this. Buddy system is good too.

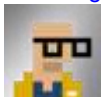

1 hour ago

StephanieBaier Stephanie Baier

[#edchatie](#) Admins p/vp need to see tech as a useful tool for them first.

1 hour ago

saorog Stephen Howell

@

@fboss [#edchatie](#) Not only teacher confidence, few lecturers at 3rd level will demonstrate practical skills live-fear of making a 'mistake'

1 hour ago

annemmcm Anne McMorrough

So what practical ideas can we come up TOGETHER with tonight?![#edchatie](#)

1 hour ago

donenda Enda D

@

@**topgold** welcome to **#edchatie**, Tipp well represented tonight,
@**pamelaaobrien** and @**lissmiss** here also

1 hour ago

lissmiss Ban Ryan

@

@**BridCarlow** Here here!! **#edchatie**

1 hour ago

StephanieBaier Stephanie Baier

#edchatie My supervisor @**mikebrawer** & I have been working on administration
2 get them on board. It's been slow, but we're making progress

1 hour ago

johnmayo John Heffernan

#edchatie Another problem is not enough people don't their share either
experience or resources so time wasted reinventing the wheel

1 hour ago

magsamond Mags Amond

@

@**fboss** **#edchatie** Whole-school / dept is important if useful integration of ICT is
to happen. Seamless integration, not bells / whistles...

1 hour ago

donenda Enda D

@

@**AnseoAMuinteoir** agreed, but I think it's definitely one of the keys. Examples of
'best practice' can sometimes work well here **#edchatie**

1 hour ago

fboss fboss

RT @lismiss: Co-operative teaching worked for us. Techie with non techie work together to extend the learning of a specific topic **#edchatie**

1 hour ago

fboss fboss

@

@NL_84 **#edchatie** - using tech in class is also a mix of classroom management skills and teacher confidence too

1 hour ago

seomraranga Seomra Ranga

#edchatie Certainly agree that if encouragement doesn't come from the top in the school, you're wasting your time.

1 hour ago

StephanieBaier Stephanie Baier

Co-op learning will work if time is allocated for it. Everyone is busy.

@lismiss **#edchatie**

1 hour ago

treezadcu Teresa Hennessy

@

@fboss **#edchatie** school management??? If they were really on board we'd be well on our way

1 hour ago

fboss fboss

RT @annemcm: @fboss Whole school teamwork with good leadership is very important, I think :-)
#edchatie I agree - really important

1 hour ago

AnseoAMuinteoir Anseo a Mhuinteoir

@

@donenda **#edchatie** how to get that vital support though with an older fashioned p/vp

1 hour ago

7MJB Mary Jo Bell

@

@[lissmiss](#) **#edchatie** A good system. Some people just need a bit of encouragement to get involved

1 hour ago

EIKel99 Kelda Richards

#edchatie Ensure trainees do teaching practice in schools that embrace the use of ICT - they will be more likely to adopt it themselves

1 hour ago

pamelaaobrien Pam

#edchatIE with so much available may be daunting for non techie teachers to know where to start

1 hour ago

annemmcm Anne McMorrough

@

@[fboss](#) Whole school teamwork with good leadership is very important, I think :-
) **#edchatie**

1 hour ago

StephanieBaier Stephanie Baier

#edchatie Done thinking... Hashtag for my Twitter PD will be **#nwrPD** North Warren Regional Professional Development.

1 hour ago

magsamond Mags Amond

RT @[treezadcu](#): @[7MJB](#) **#edchatie** - or they're just too tired and frazzled to commit to an official course? >ADDS> or unsure of it's quality ?

1 hour ago

donenda Enda D

The Principal/VP also needs to be on board - very difficult if you haven't support from the top **#edchatie**

1 hour ago

fboss fboss

#edchatie - people in the chat seem to be pointing at whole school courses and see the need to get school management on board too

1 hour ago

lissmiss Ban Ryan

Co-operative teaching worked for us. Techie with non techie working together to extend the learning of a specific topic **#edchatie**

1 hour ago

annemmcm Anne McMorrough

@seomraranga Yep, developing our eLearning plan ideas :-)**#edchatie**

1 hour ago

StephanieBaier Stephanie Baier

Hashtag... @fboss **#edchatie** I will put some thought into that and let you know. Thanks

1 hour ago

NL_84 Nigel Lane

@

@seomraranga I remember being shown clicker, and how to use movie maker, little else and virtually nothing on how to use in class**#edchatie**

1 hour ago

fboss fboss

@

@StephanieBaier if you create a hashtag, please pass it on to us all, I'm sure we'll be able to send them a bit of encouragement**#edchatie**

1 hour ago

treezadcu Teresa Hennesy

@

@7MJB **#edchatie** - or they're just too tired and frazzled to commit to an official course?

1 hour ago

magsamond Mags Amond

@

@StephanieBaier tell them folk are following in Ireland !! **#edchatie**

1 hour ago

pamelaaobrien Pam

#edchatIE think seeing what works for teachers in their classrooms might encourage others to get involved

1 hour ago

seomraranga Seomra Ranga

#edchatie We're going to use some Croke Park hours to look at IT. Anyone else doing likewise?

1 hour ago

johnmayo John Heffernan

RT @seomraranga: **#edchatie** It's worrying to hear . >>well if they kept off Facebook :-p

1 hour ago

AnseoAMuinteoir Anseo a Mhuinteoir

@

@7MJB **#edchatie** esp for subs who dont have the staffroom notice board to check

1 hour ago

lissmiss Ban Ryan

@

@BridCarlow We did that also **#edchatie**

1 hour ago

7MJB Mary Jo Bell

#edchatie I think Education centres need to advertise their courses better. They provide some great IT courses but tchs dont know about them

1 hour ago

johnmayo John Heffernan

#edchatIE Sorry I am late

1 hour ago

StephanieBaier Stephanie Baier

Progress... @magsamond **#edchatie** I will do that as part of the lesson. I'm trying to show them the beauty of PLN in Twitter.

1 hour ago

seomraranga Seomra Ranga

#edchatie It's worrying to hear "younger" teachers saying that there isn't enough emphasis give to IT in college.

1 hour ago

fboss fboss

@

@podubhaigh - As usual, it's a handful of people who take some time and try tech-things out. Is it down to peoples' interests? **#edchatie**

1 hour ago

AnseoAMuinteoir Anseo a Mhuinteoir

@

@NL_84 **#edchatie** i wonder do they have the lecturers to cover ict properly the way we use it now ie more then photostory

1 hour ago

magsamond Mags Amond

@

@StephanieBaier Maybe you could tweet us some progress reports? **#edchatie**

1 hour ago

StephanieBaier Stephanie Baier

Twitter PD - I am even expecting the principal and Tech director to drop by for a quick lesson. @beachmandy **#edchatie**

1 hour ago

beachmandy Mandy Collins

@

@treezadcu Yes, hand-holding is brilliant too! **#edchatie**

1 hour ago

magsamond Mags Amond

RT @sharonlflynn: **#edchatIE** >>> the CORE ISSUE>>>Problem with a lot of IT training is that the focus is on IT, not the educational value.

1 hour ago

NL_84 Nigel Lane

@

@AnseoAMuinteoir true, I'm shocked at how little focus there was on ict when I was in training **#edchatie**

1 hour ago

fboss fboss

@

@treezadcu Hand holding helps alright - but they can also self-support as they work through things - they're not on their own**#edchatie**

1 hour ago

AnseoAMuinteoir Anseo a Mhuinteoir

@

@7MJB **#edchatie** hiberia is a ok start for ict but still not enough I find

1 hour ago

beachmandy Mandy Collins

@

@StephanieBaier That sounds brilliant, because it's casual, friendly - not overwhelming **#edchatie**

1 hour ago

flynntommy Tommy Flynn

RT @magsamond: @lismiss **#edchatie** In a really big school, working dept by dept can help people getting started, help each other along

1 hour ago

seomraranga Seomra Ranga

#edchatie If there was a system whereby teachers with more IT experience/confidence could be released to work with a teacher in their class.

1 hour ago

sharonflynn Sharon Flynn

@

@**annemmcm** **#edchatIE** Absolutely! Our experience in HE is that students are often the ones to bring reluctant academics on board with tech!

1 hour ago

7MJB Mary Jo Bell

@

@**AnseoAMuinteoir** **#edchatie** Agree. I'm learning a lot from my Hibernian student at the moment

1 hour ago

fboss fboss

@

@**7MJB** **#edchatie** - I agree - at times it has to be a balancing act because teachers are parents and have more than just their teaching

1 hour ago

treezadcu Teresa Hennessy

#edchatie - I've got a few late-starters here - starting a few tailored sessions with them from tomorrow - a lot of hand-holding initially

1 hour ago

annemmcm Anne McMorrough

@

@**sharonflynn** We found it gave more ideas without putting anyone on spot.. children were a big part in encouraging ideas too **#edchatie**

1 hour ago

StephanieBaier Stephanie Baier

#edchatie I'm giving short lesson on Twitter 2morrow 2 our staff. I'm hanging out in conf. room all day. they can come when they have time

1 hour ago

AnseoAMuinteoir Anseo a Mhuinteoir

#edchatie training should be provided from the start of college so NQTs come out being tech savvy

1 hour ago

7MJB Mary Jo Bell

@

@**fbooss** **#edchatie** I suppose not. I know many teachers like to do their summer courses online. Saves on child minding costs

1 hour ago

sharonflynn Sharon Flynn

#edchatIE Problem with a lot of IT training is that the focus is on IT, not the educational value.

1 hour ago

fbooss fbooss

RT @**sharonflynn**: **#edchatIE** I agree with @**annemmcm**, showcasing of successful projects can be very encouraging-esp. if by those same teachers

1 hour ago

lissmiss Ban Ryan

Whole school courses work best:) **#edchatie**

1 hour ago

annemmcm Anne McMorrough

@

@**magsamond** Yep.. teachers also need time to 'play' with new tech to get comfortable & see potentials rather than challenges**#edchatie**

1 hour ago

seomraranga Seomra Ranga

#edchatie We did a school review and identified IT as an area we as a staff wanted to develop, so it was great that most were on board.

1 hour ago

sharonlflynn Sharon Flynn

#edchatie I agree with @annemmcm, showcasing of successful projects from other teachers can be very encouraging.

1 hour ago

magsamond Mags Amond

#edchatie HOW IT's introduced to folk is crucial. Show relevance, make it accessible. Like all good teaching really....

1 hour ago

fboss fboss

RT @7MJB: @seomraranga **#edchatie** Sounds great, but not sure if everyone would be willing to get involved -does everyone have to be involved?

1 hour ago

topgold Bernie Goldbach

@

@donenda I'm also a late-comer to **#edchatie**. I'm working in third level multimedia.

1 hour ago

7MJB Mary Jo Bell

@

@seomraranga **#edchatie** Sounds great, but not sure if everyone would be willing to get involved.

1 hour ago

fboss fboss

RT @seomraranga: **#edchatie** The beauty of doing a whole school summer course...we were using our own laptop... (cont)<http://deck.ly/~DloGN>

1 hour ago

NL_84 Nigel Lane

@fboss that's very true, teachers need to feel that they can experiment and try things out, otherwise they won't progress#edchatie

1 hour ago

seomraranga Seomra Ranga

@

@StephanieBaier #edchatie The course was both using new programmes/sites and showing how to integrate it in the classroom.

1 hour ago

donenda Enda D

RT @StephanieBaier: #edchatie Small doses with an immediate purpose. <-- agreed, start small but make it very relevant

1 hour ago

TheAgileAnalyst Ian Corns

RT #edchatie I think a lot of teachers are worried about technology for technology sake. They need to see the benefit to their teaching.

1 hour ago

annemmcm Anne McMorrough

We started with simple projects eg eTwinning..showcased in the school for children & teachers.. very successful way of raise aware#edchatie

1 hour ago

StephanieBaier Stephanie Baier

#edchatie Small doses with an immediate purpose. Our teachers want to know how to use it in the classroom today... not next week.

1 hour ago

seomraranga Seomra Ranga

#edchatie The beauty of doing a whole school summer course in our own school was that we were using our own laptops in our own school.

1 hour ago

fboss fboss

RT @treezadcu: **#edchatie** - try to establish reasons for reluctance - fear, embarrassment, dislike tech, lack of opportunity? Agree with this

1 hour ago

sharonflynn Sharon Flynn

#edchatie I think a lot of teachers are worried about technology for technology sake. They need to see the benefit to their teaching.

1 hour ago

lissmiss Ban Ryan

I agree mags: They must see the value for the classroom **#edchatie** 27 seconds ago Favorite

1 hour ago

StephanieBaier Stephanie Baier

#edchatie @seomraranga Was the course on IT integration, or just using it. I think one problem teachers have is a lack of 1st hand ability.

1 hour ago

treezadcu Teresa Hennessy

#edchatie - try to establish reasons for reluctance - fear, embarrassment, dislike tech, lack of opportunity?

1 hour ago

pamelaaobrien Pam

“@donenda: Good vids Mr. B **#edchatie**” >> love the videos

1 hour ago

7MJB Mary Jo Bell

#edchatie I think more training in IT is necessary, especially for those of us in the job a while

1 hour ago

AnseoAMuinteoir Anseo a Mhuinteoir

#edchatie as a sub I visit a lot of schools and generally find that most of them tend to steer clear of ict of any shape.

2 hours ago

fboss fboss

#edchatie - the easier it is for people to use, the less they feel like they'll break something. I think some teachers worry

2 hours ago

magsamond Mags Amond

Love both of those vids @**fboss #edchatie** I think getting colleagues involved is chicken-egg stuff. They must see the value for the classroom

2 hours ago

seomraranga Seomra Ranga

#edchatie I can't say that it brought everybody on board straight away but it certainly raised awareness of integrating IT into the class.

2 hours ago

annemmcm Anne McMorrough

Hi all.. bit late joining prim teacher (5th), ICT co-ord in large school. **#edchatie**

2 hours ago

NL_84 Nigel Lane

@

@**seomraranga #edchatie** that sounds great, could do with something similar where I am.

2 hours ago

StephanieBaier Stephanie Baier

#edchatie I also loved the videos.

2 hours ago

ConnollyTrevor Trevor Connolly

#EdChatIE I'm hoping the benefits of Google Apps will get teachers, even reluctant ones engaged.

2 hours ago

7MJB Mary Jo Bell

#edchatie 2 great videos. Really love the second one

2 hours ago

seomraranga Seomra Ranga

#edchatie In my school everyone participated in a whole school Summer Course on IT two years in a row. It certainly raised awareness of IT.

2 hours ago

ConnollyTrevor Trevor Connolly

#EdChatIE With the recent grant we've new hardware that needs to be used- No help desk though!

2 hours ago

fboss fboss

#edchatie Thanks for intros everyone, lets have your stories/ideas & solutions as to how to bring teachers on board who're tech-resistant

2 hours ago

donenda Enda D
