Insp Feb 2010. Draft report came end May 2010 with countless errors & blatant mistakes in it. Atrocious. #edchatie

01-Aug-11 20:10 | doogarry

I wonder do the inspectorate go on inservice & if they do what is it like ? #edchatie

01-Aug-11 20:10 | johnmayo

01-Aug-11 20:08 | johnmayo

01-Aug-11 20:08 | gersharpe1

good point Tim #edchatie @tnteacherTim surely inspectors could \*also bring new solutions and suggestions ? Or does that happen already ?

01-Aug-11 20:08 | JoeGarde

@gersharpe1 #edchatie our inspector went through out chemical room with a fine tooth comb everything needs to be in order labels/storage etc

01-Aug-11 20:08 | kookychemist

#edchatie what would you like the inspectors to assist schools and teachers?

01-Aug-11 20:07 | johnmayo

01-Aug-11 20:04 | ConnollyTrevor

@johnmayo #edchatie Moves towards that here too

01-Aug-11 20:04 | lissmiss

RT @brighidcannon: @johnmayo Yes Inspectors Generally take The class albeit for Only ten mins Or so #edchatie

01-Aug-11 20:04 | johnmayo

I do not see how inspectors who haven't taught in a classroom for 5-10yrs can contribute any constructive "direction", really. #edchatie

01-Aug-11 20:04 | tnteacherTim

what do students make of the inspection process? #edchatie

01-Aug-11 20:02 | johnmayo

@johnmayo #EdChatie Yes, the inspectors sat down with senior students afaik

01-Aug-11 20:02 | ConnollyTrevor

Do inspectors meet with the students at all #edchatie I know they do in Scotland

01-Aug-11 20:01 | johnmayo

alas I don't know much about school inspectors (I'm 3rd level) but it seems their role might be due an overhaul #edchatie

01-Aug-11 20:01 | pennybridged

#edchatie I would take out the best teachers & make them inspectors rather than those looking to move up th... (cont) <http://deck.ly/~qMjP1>

01-Aug-11 20:00 | johnmayo

#EdChatie @nteacherTim That is true, but support and direction is what we should expect from the inspectorate.

01-Aug-11 20:00 | ConnollyTrevor

#edchatie We probably need to have more inspectors, to give them time to visit schools & give sound, practical advice

01-Aug-11 20:00 | 7MJB

The reality is some students simply need bilingual support ie With gaeilge. #edchatIE

01-Aug-11 19:59 | brighidcannon

#edchatie And what are your experiences of inspectors in the dip process? Plus: Has the Dept clarified who will dip NQTs next year?

01-Aug-11 19:59 | SabineMcKenna

@ConnollyTrevor Those "supports" didn't follow recommendations at the height of the boom, either. #edchatie

01-Aug-11 19:59 | nteacherTim

@BridCarlow #edchatie Great idea Brid. They should visit every school & update teachers. I don't even know who my cigire is!

01-Aug-11 19:58 | 7MJB

Inspectors do seem out of touch With regard to weaker students esp regarding language learning. They #edchatIE

01-Aug-11 19:58 | brighidcannon

#edchatie almost have way tonight Fred will have the transcript up tomorrow

01-Aug-11 19:57 | johnmayo

#edchatie 1 story I heard one inspector say to a teacher - "don't be showing me all this technology stuff"

01-Aug-11 19:56 | johnmayo

Inspections need to be more constructive. Schools seem to View them With suspicion When really they should welcome some feedback #edchatIE

01-Aug-11 19:56 | brighidcannon

@johnmayo I'm lurking tonight for the first time because I can't really contribute #Edchatie

01-Aug-11 19:52 | pamelaobrien

@7MJB I'm sure they will see that but it won't be written in the report #edchatie

01-Aug-11 19:52 | gersharpe1

@BridCarlow #edchatie Not really but I did find teachers got really stressed out and for that reason I was always glad when inspection over

01-Aug-11 19:52 | lismiss

#edchatie Let them inspect how we can help our children to progress with lack of funding We are way behind other countries in tech equipment

01-Aug-11 19:51 | 7MJB

01-Aug-11 19:51 | johnmayo

#edchatie HAs anyone ever heard of anyone failing the dip?

01-Aug-11 19:50 | MCKD1

RT @7MJB: #edchatie Children & Teachers happy in school. The needs of the child should always come first. Teachers need to share, help, encourage all

01-Aug-11 19:49 | MCKD1

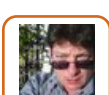

Hi #edchatie - sorry, am late, trying to catch up with the discussion! I'm qualified, not-yet-dipped primary-school teacher between jobs...

01-Aug-11 19:49 | SabineMcKenna

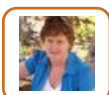

It would be great to have one on here tonight #edchatie

01-Aug-11 19:49 | johnmayo

In May 2010, inspector asked me to "spell empeythree and empeyfour" that I used to bluetooth poetry and film to pupils' devices. #edchatie

01-Aug-11 19:48 | nteacherTim

#edchatie In my opinion things have changed for the better although saying that how many of them are on twitter?

01-Aug-11 19:48 | lismiss

#edchatie Children & Teachers happy in school. The needs of the child should always come first. Teachers need to share, help, encourage all

01-Aug-11 19:48 | 7MJB

#edchatie WSE recommendations but no power to insist on implementation. Hence a pantomime, as Simon said.

01-Aug-11 19:47 | MCKD1

What would you like to be inspected on by the inspectors #edchatie

01-Aug-11 19:47 | johnmayo

RT @simonmlewis I also find WSEs an exercise in pantomime. It rarely shows a true reflection of how a school works. #edchatie

01-Aug-11 19:44 | 7MJB

#edchatie Inspectors not in touch with teaching methods in alot of cases. Each has own opinion often not in line with curriculum.

01-Aug-11 19:44 | MCKD1

Do they catch what you know is going wrong in school/class? #edchatie

01-Aug-11 19:43 | johnmayo

@johnmayo #EdChatie inspections and prep certainly contributed positively - getting time to plan as a team is v important.

01-Aug-11 19:43 | ConnollyTrevor

#edchatie I had my inspection in the first term in my new school i found the inspector v helpful and encouraging in the feedback meeting

01-Aug-11 19:43 | kookychemist

I think lots get too hot and bothered and i'm sure it is evident to inspectorRT @johnmayo: do teachers have a positive attit.... #edchatie

01-Aug-11 19:43 | gersharpe1

@MCKD1 #edchatie can't blame them for that as so many nqts need dipping, competition is fierce

01-Aug-11 19:43 | AnseoAMuinteoir

Do teachers have a positive attitude to inspections #edchatie

01-Aug-11 19:42 | johnmayo

#edchatie So what are they looking for? that's the Q tonight. A happy, child friendly, well run school?

01-Aug-11 19:42 | 7MJB

RT @simonmlewis: I also find WSEs an exercise in pantomime. It rarely shows a true reflection of how a school works. #edchatie

01-Aug-11 19:41 | MCKD1

#edchatie do teachers have a positive attitude to inspections ?

Pam 3rd level. Like @topgold I'll be lurking. Not sure what I can contribute #Edchatie

01-Aug-11 19:40 | pamelaabrien

#edchatie Inspectors seem to be spending v little time with probationary teachers also. Full ay dip reduced to an hour.

01-Aug-11 19:40 | MCKD1

RT @7MJB: #edchatie I have had no bad experiences with Inspectors. I do feel they should have more time to help young teachers. #edchatie

01-Aug-11 19:40 | gersharpe1

I also find WSEs an exercise in pantomime. It rarely shows a true reflection of how a school works. #edchatie

01-Aug-11 19:39 | johnmayo

#edchatie Schools seem to be able to take a take it or leave it" attitude to WSE findings.

01-Aug-11 19:38 | MCKD1

I think the surprise inspections due next year will see a big change @MCKD1: IMO Inspectorate in general seem quite ineffectual. #edchatie

01-Aug-11 19:38 | gersharpe1

@johnmayo #EdChatie A bad report is made up it seems of more recommendations than a good report, there has to be recommendations.

01-Aug-11 19:38 | ConnollyTrevor

Reading a number of inspections reports they do seem to lack a bite #edchatie

01-Aug-11 19:38 | johnmayo

#edchatie IMO Inspectorate in general seem quite ineffectual.

#edchatie IMO, the Inspectorate seem quite ineffectual.
