@nfm Bannon crazy thing is that some parents do not want their kids to receive these resources when available. #Edchatie

25-Jul-11 22:00 | gersharpe1

@emernowlan True but difficult for child to cope in 2nd level w/out very basic literacy skills. Root of many behavioural problems #Edchatie

25-Jul-11 21:59 | gersharpe1

@emernowlan You are absolutely right. Just wish the resources were in place to minimise the no. who have lit. issues at 12yrs #edchatie

25-Jul-11 21:55 | nfm Bannon

@nfm Bannon No. But some do. Students with good literacy skills, EAL needs, also benefit if 2nd level teachers have these skills #edchatie

25-Jul-11 21:46 | emernowlan

@emernowlan Agree. 2nd lev teachers shd have skills for tching literacy. BUT should kids reach 11+ without being competent readers? #edchatie
