Isn't 1 of the main functions of the Teaching Council 2 promote teaching as a profession? Do they engage with all media 2 do this? #edchatie

08-Aug-11 19:44 | NL_84

#edchatie need to move to a position of being the instigator of change in the interests of all the stakeholders

08-Aug-11 19:45 | agrimesblack

@NL_84 Teaching Council has spent too long registering and is up to its neck in vetting, never what it was intended for #edchatie

08-Aug-11 19:46 | levdauidovic

@NL_84 it actually isn't. I remember listening to interview with its head and she was saying it wasn't their role. #edchatie

#edchatie @levdauidovic opportunity here for unions to take the higher ground and initiate change. What are our suggestions for saving €

08-Aug-11 19:49 | agrimesblack

@NL_84 yes but I think her point was that it's there to promote it not defend it from media etc. That's the role of the unions #edchatie

08-Aug-11 19:50 | gersharpe1

@NL_84 @gersharpe1 debate about Teaching Council is a sidetrack, it isn't trusted by teachers and it isn't known to anyone else #edchatie

08-Aug-11 19:50 | levdauidovic

@agrimesblack @levdauidovic Surely we shouldnt be spending less on Education but more #edchatie

08-Aug-11 19:51 | gersharpe1

@levdauidovic but if they state it as a main function, and take money from us every year, then surely it's worthy of debate?? #edchatie

08-Aug-11 19:51 | NL_84

Purpose of Unions to defend interests of members, not to pull rug from under them, DES supposed to initiate then consult on change #edchatie

08-Aug-11 19:51 | levdauidovic

@simonmlewis who actually said that? #edchatie

08-Aug-11 19:52 | levdaavidovic

@simonmlewis Come on. who says that? #edchatie

08-Aug-11 19:53 | gersharpe1

RT @agrimblack: #edchatie need to move to a position of being the instigator of change in the interests of all the stakeholders <- Agree!

08-Aug-11 19:53 | fboss

I also don't think it's the union's job to promote us in the media. They're there to protect us. Sometimes that's incompatible #edchatie

08-Aug-11 19:53 | simonmlewis

@agrimblack but is the DES on twitter? If you don't see, and don't hear, it doesn't exist #edchatie

08-Aug-11 19:53 | levdaavidovic

@levdaavidovic indeed, and they're supposed to be engaging with the media to promote our profession #edchatie

RT @simonmlewis: I also don't think it's the union's job to promote us in the media. They're there to protect us. Sometimes that's incompatible #edchatie

08-Aug-11 19:54 | NL_84

@agrimblack when the money was there, where was the investment, dealing with DES is like banging your head off the proverbial #edchatie

08-Aug-11 19:55 | levdaavidovic

@simonmlewis Of course they are there to protect and promote us They are the only representatives of the teachers who get air time #edchatie

08-Aug-11 19:55 | gersharpe1

RT @simonmlewis: don't think it's unions job to promote us in media, there to protect us. Sometimes incompatible #edchatie ~totally agree

08-Aug-11 19:57 | fboss

@gersharpe1 it was said on Joe Duffy show around the time of the first round of cuts. My hands reached for my head. #edchatie

08-Aug-11 19:57 | simonmlewis

@gersharpe1 as a teacher who on occasion got air time, the way the message is depicted isn't always fair #edchatie

08-Aug-11 19:57 | levdaavidovic

@levdaavidovic #edchatie All in the past. Move on. Set the agenda.

08-Aug-11 19:57 | agrimesblack

@simonmlewis beware Joe Duffy: feature once on teachers resigning from union, I found out there were 3 out of 17,000 in that year #edchatie

08-Aug-11 19:59 | levdaavidovic

#edchatie We are leading change through Twitter et al but broadcasting only to ourselves.

08-Aug-11 20:01 | agrimesblack

@levdavidovic aside from Joe Duffy, there's been some embarrassments at congresses. #edchatie

08-Aug-11 20:01 | simonmlewis

I like the idea of a simple website @simonmlewis, even a Facebook page could be a great start, reach people quickly #edchatie

08-Aug-11 20:02 | fboss

@levdavidovic #edchatie Yes. So we start from where we are now. Some things are unchangeable at this time. Focus on what we can do.

08-Aug-11 20:02 | agrimesblack

@simonmlewis re simple website: impossible to get anything positive printed in papers, without contacts anything printed full stop #edchatie

08-Aug-11 20:02 | levdavidovic

08-Aug-11 20:04 | fboss

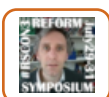

@simonmlewis maybe a group of teachers could do it together? #edchatie

08-Aug-11 20:05 | NL_84

I sometimes feel as if the insularity of twitter leads us to believe we have answers the real world wouldn't countenance #edchatie

08-Aug-11 20:06 | levdavidovic

08-Aug-11 20:10 | levdauidovic

@gersharpe1 They do get the largest audience. So, are they writing for the crowd? #edchatie

08-Aug-11 20:10 | fboss

@levdauidovic #edchatie We will have to agree to differ! That we teachers are innovative and forward thinking is a belief we need to foster

08-Aug-11 20:10 | agrimesblack

@simonmlewis I assume most schools now have websites which promote their school/teachers #edchatie

08-Aug-11 20:10 | gersharpe1

@fboss #edchatie Agree and right too. But when the focus is on teachers..we need to change the default position of media.

08-Aug-11 20:11 | agrimesblack

@levdauidovic If we push one extra piece of info in the locals(that website idea, for e.g.)then it should push into the nationals #edchatie

08-Aug-11 20:11 | fboss

@agrimesblack you've misunderstood me, was distinguishing between teachers and DES, teachers innovate, but in a vacuum, no support #edchatie

08-Aug-11 20:11 | levdauidovic

Yes and to the most vocal anti-teacher campaigners RT @fboss:They do get the largest audience. So, are they writing for the crowd? #edchatie

08-Aug-11 20:12 | gersharpe1

@fboss local newspapers hungry for school news because it's content and they're dying, nationals can generate their own content #edchatie

08-Aug-11 20:13 | levdauidovic

@levdauidovic I think the Nationals are also suffering too with sales. They also "grab" pre-written material for supplements, etc #edchatie

08-Aug-11 20:14 | fboss

I think it suits to have a group to vent against. Private vs. Public sector divide has been very successfully created #Edchatie

08-Aug-11 20:15 | pamelaaobrien

It's also a pity that teachers bash teachers in the media, providing a united front when you're under attack is essential #edchatie

08-Aug-11 20:15 | levdauidovic

Interesting ideas so far: 1) engage regularly and positively with local media. 2) simple website, independent from unions #edchatie more?

08-Aug-11 20:15 | NL_84

As someone who gets involved with local primary and secondary schools, I really value the work done by teachers #Edchatie

08-Aug-11 20:16 | pamelaaobrien

@levdavidovic Agree - but the locals in my area are tied to a National -> filter up the "BIG" news #edchatie

08-Aug-11 20:17 | fboss

@gersharpe1 much of opinion is based on school experiences in 80s and earlier, when schools were v different places #edchatie

08-Aug-11 20:17 | levdavidovic

@gersharpe1 my sentiments exactly. God bless the patience of teachers trying to teach kids of diff abilities and at diff stages #Edchatie

08-Aug-11 20:18 | pamelaabrien

@fboss that's an urban/rural thing, only news that gets out of here is murder or court #edchatie

08-Aug-11 20:18 | levdavidovic

@levdavidovic @gersharpe1 Totally agree so why not let them see what we are doing today #edchatie

08-Aug-11 20:18 | gersharpe1

RT @pamelaabrien: Maybe people would see a different side to teachers and what they do if they were more involved #Edchatie

08-Aug-11 20:18 | levdavidovic

@levdavidovic @gersharpe1 Absolutely, not sure if people are aware of the changes that have taken place #Edchatie

08-Aug-11 20:19 | pamelaabrien

Local Vs National? Think the public appreciate their local teachers but Nationally it's a group called "teachers" they are shown #edchatie

08-Aug-11 20:19 | fboss

@levdavidovic Definitely agree! Meant to also say that the filter works from the National side down to the local too #edchatie

@levdavidovic can be very difficult to get content into local papers too. We got no local coverage of @ictedu despite submitting #Edchatie

08-Aug-11 20:20 | pamelaabrien

@fboss Agree Parents always appreciative of efforts made by teachers for sports, plays tours etc #edchatie

08-Aug-11 20:20 | gersharpe1

#edchatie Lost internet connection. Go back to the question. What can we do ? Do we rely on unions? And/or dedicated body to feed good news

08-Aug-11 20:20 | agrimesblack

@pamelaabrien I know that Unions even have difficulty getting content accepted, only on media radar when there's a crisis #Edchatie

08-Aug-11 20:21 | levdavidovic

@levdavidovic @pamelaabrien ...or when the conferences come around at Easter #edchatie

Shocking RT @agrimesblack: #edchatie Have one eye on sky news. What a disaster for London. #edchatie

08-Aug-11 20:25 | gersharpe1

@fboss #edchatie Why not set up a google Doc a la Tom Barrett. 100 ways to promote positive experiences in schools.

08-Aug-11 20:25 | agrimesblack

Going back to original question, major problem for people is the hols but what people don't see is the work going on in the hols! #Edchatie

08-Aug-11 20:26 | pamelaabrien

@agrimesblack Seeing it appear in my Twwet-stream too. Terrible alright! #edchatie

08-Aug-11 20:26 | fboss

@levdavidovic @fboss unfortunately for us that's what sells! #Edchatie

08-Aug-11 20:27 | pamelaabrien

@agrimesblack Well, that's an idea alright! You up for it? We can promote it through #edchatie too -> 100 way... (cont) <http://deck.ly/~0q2ib>

08-Aug-11 20:28 | fboss

@fboss #edchatie Yes. Will make contact tomorrow

08-Aug-11 20:29 | agrimesblack

@agrimesblack There's a thought - do the Unions have info for schools on promoting their activities positively? @levdavidovic #edchatie

08-Aug-11 20:29 | fboss

@fboss Unions don't see that as their remit #edchatie

08-Aug-11 20:31 | fboss

@levdavidovic @fboss #edchatie That has been my point all along. Need to refocus. Doesn't mean traditional role of unions lost.

08-Aug-11 20:32 | agrimesblack

@agrimesblack well let's see you all at union meetings then, changing focus, setting a new agenda, stick with it, it'd take time #edchatie

08-Aug-11 20:33 | lev davidovic

@levdavidovic Pity, because as well as defending members would be good if they passed on some of their P.R experience too #edchatie

08-Aug-11 20:33 | fboss

Sorry for plugging this but relevant. I have a thing on Anseo.net that pulls in feeds from any school. Only 2 schools signed up. #edchatie

08-Aug-11 20:33 | simonmlewis
