RT @seomraranga: #edchatie CPD is both a right and a responsibility -Teaching Council. But will the TC be responsible for it? If not,who?

23-May-11 19:47 | fboss

@Mike\_Kiely The boss man always scrapes #edchatie for us who miss the flow.

23-May-11 19:47 | topgold

#edchatie Many teachers attend classes in local Ed Centres on IWB etc, these should also be counted for 33 hours

23-May-11 19:47 | 7MJB

@markgriffin1 thanks Mark - dont forget the #edchatie hashtag to appear the tweet in the conversation!! Almost lost you and your camera!

23-May-11 19:47 | magsamond

what do you all think about the online summer courses? i've done 2, 1 excellent 1 truly awful! #edchatie

23-May-11 19:47 | NL\_84

#edchatie informal peer-to-peer is very effective - learn it when you need it, not in case of some future requirement

23-May-11 19:47 | treezadcu

#edchatie @ConnollyTrevor No not all of them but emailed on how to use search.twitter.com but no bite on the lure

23-May-11 19:46 | johnmayo

@7MJB agree wit u Mary, I've learnt a lot from #edchatie wish more teachers wkd use it

23-May-11 19:45 | MoloneyKing

#edchatIE have emailed 15 friends and relations that are teachers about this for the post two weeks- still no one has turned up

23-May-11 19:45 | johnmayo

#edchatie Meetings like #CESI should count for 33 hours

23-May-11 19:45 | 7MJB

@fboss I think it's unlikely as the 'quality control' will hard to assess, that's not my phrase btw #edchatie

23-May-11 19:45 | levdaidovic

@levdaidovic #edchatie at that rate most of the 33 hrs will be gone on paperwork proving we did it

23-May-11 19:44 | treezadcu

@conpower #edchatie I think the 33 has been claimed for a lot of PTMs. Do subject dept planning meetings count as CPD?

23-May-11 19:44 | magsamond

@levdaidovic #edchatie - I think though that certifiable CPD will be required for the 33hrs (or some of it... (cont) <http://deck.ly/~RTTTo>

23-May-11 19:44 | fboss

definitely feel i gain a lot from my twitter network, particularly through #edchatie Also, agree with @conpower about local meetings

23-May-11 19:43 | NL\_84

#edchatIE we are living in a unstructured world

RT @lissmiss: #edchatie I think we would all agree CPD needs to relate directly back to teachers' day-to-day work.

23-May-11 19:43 | levdaidovic

#edchatie CPD is both a right and a responsibility - Teaching Council.

23-May-11 19:43 | seomraranga

RT @7MJB: #edchatie I think #edchatie is a great form of CPD

23-May-11 19:43 | levdaidovic

#edchatie I think there needs to be more meetings of teachers at a local level.

23-May-11 19:43 | conpower

@treezadcu some of the 33hrs should go on CPD absolutely, but will be insisted that it's delivered in a structured way by managers #edchatie

23-May-11 19:42 | levdaidovic

late arriving, evening all! Nigel, primary teacher #edchatie

23-May-11 19:41 | NL\_84

@seomraranga that kind of CPD will be disappear if managers want a certifiable programme of CPD to account for 33 hrs #edchatie

23-May-11 19:41 | levdaidovic

#edchatie That was a quote from the TC Draft Policy on the Continuum of Teacher Education <http://bit.ly/iLxgV0>

23-May-11 19:41 | seomraranga

@levdaidovic #edchatie unless some of the 33 hrs is set aside for cpd

23-May-11 19:41 | treezadcu

#edchatie I'd image the 33 hours could be used for CPD

RT @7MJB: #edchatie I think #edchatie is a great form of CPD -> Have to agree with you there - but can it be used more in teaching?

23-May-11 19:40 | fboss

@conpower well the plan is to provide nothing like we've had in past, and there'll be no money, Minister made that clear at Easter #edchatie

23-May-11 19:39 | levdaidovic

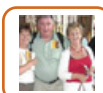

#edchatie Teachers as pros need to take responsibility too and not just wait for outsiders to tell us what to do

23-May-11 19:39 | treezadcu

#edchatie At the mo it seems CPD in pp is left up to the individual, perhaps some need a push.

23-May-11 19:39 | ConnollyTrevor

#edchatie I think we would all agree CPD needs to relate directly back to teachers' day-to-day work.
