8:26 pm **tomwhitby:** @fboss I don't want to be a Pushy American, so I will probably lurk more than comment. #edchatie

8:27 pm **MissionVHQ:** @fboss Good luck Fred, thanks for organising. #edchatie

8:28 pm **peter_lydon:** #edchatie

8:29 pm **magsamond:** Ok the University Challenge GONG has gone, so can now turn full attention to #edchatie

8:29 pm **marloft:** RT @fboss: T minus 5 minutes and counting to #edchatie > T-1 now

8:30 pm **fboss:** #edchatie begins! The topic is: Examples of how a little technology in class can go a long way - looking for examples and comments please

8:30 pm **humphreyjones:** Let's get ready to rumble!!!!!!! #edchatie

8:31 pm **fboss:** #edchatie - For me, I would use Qwiki as a great way to introduce a topic to a class <http://bit.ly/clrL3Z> anyone else ever used it?

8:31 pm **magsamond:** @tomwhitby The topic is how a little technology in class can go a long way. No point in lurking, jump right in #edchatie

8:31 pm **lissmiss:** Don't know how this works but I am here anyway #edchatie

8:32 pm **ConnollyTrevor:** #edchatie Quiki is new to me.

8:32 pm **flynttommy:** #edchatie haven't used Qwiki in class yet but looks (and sounds!) good!

8:32 pm **NL_84:** have never used qwiki but it looks interesting #edchatie

8:32 pm **Frazzld:** Congratulations on the launch of #edchatIE and the best of luck @fboss and all Irish tweachers! #edchatie

8:33 pm **tomwhitby:** With a one computer classroom SKYPE can be a big plus. You can skype authors and experts with great interaction. #edchatIE

8:33 pm **donenda:** I'm with Ban, here I am #edchatie

8:33 pm **seomraranga:** RT @NL_84: have never used qwiki but it looks interesting #edchatie Same here. Must look into it. Just looked at the chocolate bikkie one.

8:33 pm **flynttommy:** @lismiss not sure myself but giving it a go :) #edchatIE

8:33 pm **johnmayo:** Can you give z quick run through of Qwiki Fred #edchatie

8:34 pm **7MJB:** #edchatIE Heard of Quiki but don't know a lot about it.

8:34 pm **janwebb21:** RT @Frazzld: Congratulations on the launch of #edchatIE and the best of luck @fboss and all Irish tweachers! #edchatie

8:34 pm **MissionVHQ:** @fboss Qwiki looks great - again not familiar with it. #edchatIE

8:34 pm **catherinecronin:** #edchatie Just tuning in now... are we starting with intros?

8:34 pm **donenda:** opening a new search window in Tweetdeck for #edchatie ... that's better

8:34 pm **seomraranga:** @tomwhitby Broadband strength can be a deterrent for using Skype here #edchatIE

8:34 pm **NL_84:** the "related" feature on qwiki also seems very handy, as long as you don't get carried away! #edchatie

8:34 pm **MissionVHQ:** @donenda @lismiss - Hi guys! #edchatIE

8:34 pm **fboss:** #edchatIE - Always check the Qwiki before showing it. Sometimes the pronunciation is very off. Turtle 2: <http://bit.ly/e13DaT>

8:35 pm **flynttommy:** #edchatIE - the chocolate chip Qwiki is good! hungry now....

8:35 pm **magsamond:** Can anyone give a 140 character summary of Qwiki? #edchatIE

8:35 pm **seomraranga:** #edchatIE Would you just search Quiki for a video just like you would in Youtube when planning a lesson?

8:35 pm **donenda:** @MissionVHQ @lismiss Hi Margaret, welcome to #edchatie

8:36 pm **crumphelen:** @lismiss That's the spirit. Glad u did #edchatie

8:37 pm **humphreyjones:** Yes please! RT @johnmayo: Can you give z quick run through of Qwiki Fred #edchatie

8:37 pm **donenda:** @fboss #edchatie ooooh, that's nice, tell us more

8:37 pm **flynttommy:** A type of search engine that pulls text and images about the topic searched and gives a 'story' with (computer) voiceover. #edchatIE

8:37 pm **ConnollyTrevor:** #edchatie The variety offered by edtech gets students to sit up, that's what we're aiming for

8:38 pm **magsamond:** wow Qwiki is like a talking Google - just looked up the heart <http://bit.ly/dUllqs> #edchatIE. thanks Fred.

8:38 pm **fboss:** #edchatIE - thought I had just sent on info about Qwiki but not seeing it anywhere?

8:38 pm **MissionVHQ:** Has anyone used the Wolfram/Alpha Computational Engine in the classroom? <http://www.wolframalpha.com/> #edchatIE

8:38 pm **7MJB:** #edchatIE Amazing stuff. I've a lot to learn...

8:39 pm **humphreyjones:** #edchatIE Speaking of YouTube - how many people can't access in their schools?

8:39 pm **seomraranga:** @MissionVHQ #edchatIE Tell us more ...

8:39 pm **catherinecronin:** RT @donenda: opening a new search window in Tweetdeck for #edchatie... < Am using 1-column (screen-width) view in HootSuite, also good!

8:39 pm **MissionVHQ:** RT @ConnollyTrevor: #edchatie The variety offered by edtech gets students to sit up, thats what were aiming for #edchatIE

8:39 pm **donenda:** #edchatie that is so great, I just Qwikied MDI where I work, brilliant

8:40 pm **doogarry:** At an inservice so will miss out on inaugural #edchatIE Enjoy folks

8:40 pm **tomwhitby:** The computer as a learning tool is more powerful as a tool for creation as opposed to content delivery. #edchatIE

8:40 pm **catherinecronin:** @fboss Omitted the hashtag, I think... #edchatie

8:40 pm **doogarry:** @humphreyjones no you tube access in our school #edchatie

8:41 pm **ConnollyTrevor:** #edchatie One of the greatest responses I've seen was for an interactive history treasure hunt game, a PC & a digital projector.

8:41 pm **kelleycruse:** RT @tomwhitby: The computer as a learning tool is more powerful as a tool for creation as opposed to content delivery. #edchatIE
