@**donenda** **#edchatie** Too much like reverting back to 'sage on the stage' **#edchatie**

1 hour ago

fboss fboss

RT @**peter_lydon**: **#edchatie** with Bluetooth and smart phones, teacher can share material with students - like the idea of collab. **#edchatie**

1 hour ago

donenda Enda D

RT @**seoinin**: I have found cool ipad app called Air Display. It allows you to bring the monitor to the students and control IWB **#edchatie**

1 hour ago

reflectivemaths Dave Gale

@

@**emernowlan** **#edchatie** mobiles are banned in my school except for 6th A level. Have done the collaborating on googledocs: Excellent!

1 hour ago

7MJB Mary Jo Bell

#edchatie I can't see myself getting use of a projector now that IWB have been installed. Surely they do the same job?

1 hour ago

fboss fboss

RT @**reflectivemaths**: **#edchatie** Actually have a projector, visualiser & slate but no IWB. Slate does the job of IWB without the cost. **#edchatie**

1 hour ago

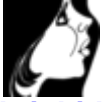

NL_84 Nigel Lane

@

@**donenda** **#edchatie** having had iwb, I think most would find it difficult to have just comp + projector

1 hour ago

brighidcannon brighidc

#edchatie Brid second level teacher. Late joining, use Data projector a lot in Eng & gaeilge. TG4 for irish clips and discussions.

1 hour ago

fboss fboss

@

@**peter_lydon** @**donenda** Do you think they really look forward to powering up @ the end of the day? **#edchatie**

1 hour ago

peter_lydon Peter Lydon

#edchatie with Bluetooth and smart phones, teacher can share material with students

1 hour ago

pamelaobrien Pam

RT @**peter_lydon**: @**donenda** **#edchatie** -nah..kids need access to in-class technology - they have to power down when they come in...**#edchatie**

1 hour ago

reflectivemaths Dave Gale

#edchatie I actually have a projector, visualiser and slate but no IWB. I think the slate does the job of IWB without the cost.

1 hour ago

emernowlan Emer Nowlan

Loved the ipod demo at CESI conference. Room-ful all contributing content to google form on devices - straight up on projector.**#edchatie**

1 hour ago

peter_lydon Peter Lydon

@

@**donenda** **#edchatie** -nah..kids need access to in-class technology - they have to power down when they come in...

1 hour ago

fboss fboss

RT @donenda: many people mentioning visualisers and IWBs - so, can we really make progress with just a projector and PC? Can we? #edchatie

1 hour ago

donenda Enda D

many people mentioning visualisers and IWBs - so, can we really make progress with 'just' a projector and PC? #edchatie

1 hour ago

treezadcu Teresa Hennessy

@

@fboss #edchatie I let student lead class in showing how to use a program they know eg Prezi

1 hour ago

NL_84 Nigel Lane

@

@peter_lydon #edchatie I'm considering getting the vga out connection for iPad and giving it a go!

1 hour ago

peter_lydon Peter Lydon

<http://bit.ly/gOhmiA> #edchatie

1 hour ago

fboss fboss

RT @peter_lydon: #edchatie iPad-like device and IWB/projector the way to go. Agree - like the idea of freedom to move in class.

1 hour ago

pamelaobrien Pam

@

@seoinin @ictedu hey John, we'll get you back again :-) #edchatie

1 hour ago

peter_lydon Peter Lydon

#edchatie iPad-like device and IWB/projector the way to go.

1 hour ago

seomraranga Seomra Ranga

#edchatie My projector is poor enough quality and kids constantly look at the PC monitor to see the correct colour of things.

1 hour ago

mariefarren Marie Doherty

#edchatie marie 6th class teacher.

1 hour ago

flynntommy Tommy Flynn

#edchatie I used skool.ie business studies lessons and handed over to students to do quizzes throughout the lesson. 1/2

1 hour ago

pamelaaobrien Pam

@

@NL_84 @pamelaaobrien @seomraranga used to use them but haven't for a while now. Must start using them again **#edchatie**

1 hour ago

fboss fboss

RT @reflectivemaths: **#edchatie** I use my proj to give feedback to students during a lesson. Catch them being go... (cont)<http://deck.ly/~5JgpB>

lissmiss Ban Ryan

#edchatie I did - for group work and as backdrop when creating short videos **#edchatie**

1 hour ago

seoinin seoinin

#edchatie 3rd Level lecturer and former organiser of @ictedu ;) @pam

1 hour ago

peter_lydon Peter Lydon

RT @peter_lydon: @donenda almost like watching slow motion decision making...**#edchatie**

1 hour ago

peter_lydon Peter Lydon

RT @peter_lydon: @donenda let them interact with IWB resources I have - very interesting to watch them work...#edchatie

1 hour ago

reflectivemaths Dave Gale

#edchatie I use my proj to give feedback to students during a lesson. Catch them being good or highlight good points publicly at the time

1 hour ago

NL_84 Nigel Lane

@

@pamelaaobrien @seomraranga #edchatie I'd love to have a visualiser in class, they have great potential.

1 hour ago

donenda Enda D

RT @fboss: Does anyone hand control of the PC/data proj. over to students during class. If so, how? #edchatie < was just about to ask this

1 hour ago

7MJB Mary Jo Bell

#edchatie Visualiser has to be next on the shopping list

1 hour ago

seomraranga Seomra Ranga

#edchatie If someone is investing I'd advise you'd go for the best quality projector your budget will allow. Get as many lumens as u can.

1 hour ago

peter_lydon Peter Lydon

#edchatie IWB and projector great for getting students involved.

1 hour ago

fboss fboss

Does anyone hand control of the PC/data proj. over to students during class. If so, how? #edchatie

1 hour ago

pamelaobrien Pam

Don't use visualisers as much as I should **#edchatie**

1 hour ago

peter_lydon Peter Lydon

RT @seomraranga: **#edchatie** At this stage the combination nearly has to include a visualiser. It's great for qu... (cont)<http://deck.ly/~8nx4B>

1 hour ago

pamelaobrien Pam

Projector/pc great for accessing content on Internet, showing students how you do things so that they can try themselves **#edchatie**

1 hour ago

NL_84 Nigel Lane

@

@fboss **#edchatie** well now that I have smartboard I use it all the time, e-textbooks, britannica encyclopaedia, flash resources etc.

1 hour ago

peter_lydon Peter Lydon

RT @seomraranga: **#edchatie** We all have ebeams in our classrooms. Went for them purely on a cost basis...the so... (cont)<http://deck.ly/~TDOVs>

1 hour ago

lissmiss Ban Ryan

Worked with projectors, then Promethean, eBeam and finally Smart**#edchatie**

1 hour ago

seomraranga Seomra Ranga

#edchatie At this stage the combination nearly has to include a visualiser. It's great for quickly showing something to the whole class.

1 hour ago

peter_lydon Peter Lydon

#edchatie use it for PowerPoint (have to be careful<http://youtu.be/KbSPPFYxx3o>) - embedding Flash movies, pi... (cont) <http://deck.ly/~oSvBC>

1 hour ago

7MJB Mary Jo Bell

#edchatie I have never used a data projector. I've got an IWB this year

1 hour ago

fboss fboss

@

@**NL_84** What would you like to use the data projector for? Where do you see it going in your classes? **#edchatie**

1 hour ago

emernowlan Emer Nowlan

What I DON'T like about projector and PC - when people just transfer boring board-based lessons to boring powerpoint-based lessons. **#edchatie**

1 hour ago

seomraranga Seomra Ranga

#edchatie We all have ebeams in our classrooms. Went for them purely on a cost basis.

1 hour ago

flynntommy Tommy Flynn

#edchatie in German I have used the pdfs of the LC picture stories . Projected onto board. Great for focussing students, writing vocab...

1 hour ago

treezadcu Teresa Hennessy

#edchatie regard it as essential kit now - acc solutions, case studies etc all on laptop

1 hour ago

fboss fboss

RT @**fboss**: Does everyone have experience of using data projectors in class? Any examples of use out there? **#edchatie**

1 hour ago

NL_84 Nigel Lane

Won't have much to contribute tonight as before getting smartboard this year I had very infrequent access to data projector! [#edchatie](#)

1 hour ago

[fboss](#) fboss

Unfortunately for me, they came out as I moved from the classroom into the NCTE, so haven't had much experience - but have ideas [#edchatie](#)

1 hour ago

[emernowlan](#) Emer Nowlan

A bit late and will be popping in and out. Working for Educate Together. [#edchatie](#)
