#edchatie to quote Eric Raymond "to enough eyes all bugs are shallow"

12-Sep-11 20:08 | johnmayo

#edchatie Afraid for a lot of teachers sharing resources means powerpoints. Not exactly groundbreaking. What we need are decent lessonplans

12-Sep-11 20:10 | SeanDeLuain

Any pointers to good sharing examples outside of Ireland. Lots of opensource curriculum projects in the States AFAIK? #edchatie

12-Sep-11 20:11 | MissionVHQ

#edchatie @lissmiss Love dropbox. Trying to set a folder up locally for senior class teachers to use to share resources.

12-Sep-11 20:11 | mariefarren

#edchatie sad fact is that lots of teachers ARE sharing resources but lots more are still busily acting like an island unto themselves?
