Never been so dispirited at the end of #edchatie. I hope that people start to organise and respond to the exploitation of young teachers

13-Feb-12 21:36 | levdauidovic

@MoloneyKing @subkiteu #edchatie so true takes a while to find your feet and your voice in a sch...alot want to get their foot in d door

13-Feb-12 21:36 | MsTumelty

#edchatie One would hope with redeployment of teachers a fairer hiring system could be put in place that takes local power away.

13-Feb-12 21:36 | conpower

@levdauidovic So it is a subtle Union plug then ? #edchatie

13-Feb-12 21:37 | johnmayo

Thank you all again for discussion. Only way to consider& learn about all sides of an issue and to make conclusions #edchatie

13-Feb-12 21:37 | subkiteu

#edchatie Enlightening chat tonight. Thanks to everyone

13-Feb-12 21:37 | TippTeacher

@subkiteu @AnseoAMuinteoir @johnmayo #edchatie you'd be shocked by the amount principals don't know!!

13-Feb-12 21:37 | MsTumelty

@levdauidovic #edchatie Sad thing is this is nothing new. It's been going on for years - people lament but nothing every done.

13-Feb-12 21:37 | conpower

#edchatie Signing off now, thanks all. Thanks for facilitating @fboss

13-Feb-12 21:38 | fboss

@MsTumelty @MoloneyKing Speaking to teachers in Dublin some are finding it hard to get subs... #edchatie

13-Feb-12 21:38 | subkiteu

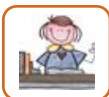

@conpower #edchatie you would hope, but hard to change the habits of a lifetime!!

13-Feb-12 21:38 | MsTumelty

@levdauidovic You are still missingthe point. It is a problem whether they are union members or not. #edchatie

13-Feb-12 21:38 | johnmayo

@subkitem @MoloneyKing #edchatie can be vry hard to get subbing, then I also know of schs struggling to get maternity cover..hard to believe

13-Feb-12 21:39 | MsTumelty

@levdavidovic @johnmayo #edchatie Sorry typo again - meant interests not interested.

13-Feb-12 21:40 | conpower

RT @conpower: @levdavidovic @johnmayo #edchatie I would rather a union that protects the interested of the profession, not just the sub payers.

13-Feb-12 21:40 | MsTumelty

@fboss think we need happier topics next week Fred! Like how to spend midterm #Edchatie

@fboss Thanks for facilitating an interesting #edchatie defo food for thought!!

13-Feb-12 21:42 | MsTumelty

RT @johnmayo: @levdavidovic but if it is an important issue , it should not matter if young teachers are members or not #edchatie

13-Feb-12 21:42 | bcuneen

RT @conpower: @levdavidovic @johnmayo #edchatie I would rather a union that protects the interested of the profession, not just the sub payers.

13-Feb-12 21:43 | bcuneen

@MsTumelty @MoloneyKing you can sing that. Can be a nightmare getting subbing. Been there and have the bald patch to prove it!! #edchatie

13-Feb-12 21:43 | subkitem

@AnseoAMuinteoir It was all down to the way the votes fell - think tonight hit on some interesting points though :-) #edchatie

13-Feb-12 21:44 | fboss

@subkitem @MoloneyKing #edchatie sometimes unfortunately it is all about luck, but in the end it works out I hope!!

13-Feb-12 21:47 | MsTumelty

RT @conpower: #edchatie Depending on when you enter teaching now you could be doing the same job as the person beside you on 1/2 the money - demoralising

RT @conpower: @fboss @levdavidovic @bcuneen #edchatie Surprised the government hasn't suggested opening Hedge School as a viable cost reduction.
