muirfoynes 12 hours ago

MT [@levdavidovic](#): [@fboss](#) [@johnmayo](#) Volunteer= get to refuse destination school but don't get another bite of cherry that year [#edchatie](#)

fboss 12 hours ago

• [@johnmayo](#) re pass the parcel haven't seen that but know what you mean [#edchatie](#)
levdavidovic 12 hours ago

• Can't teachers put themselves forward for redeployment if the school is over-quota? [#edchatie](#)
KevinCahill5 12 hours ago

• [@fboss](#) [#edchatie](#) I know there was talk of 80km, but I think they settled on 50km, but not sure.
davidwalsh247 12 hours ago

• Kevin here, pp teacher cork [#edchatie](#)
KevinCahill5 12 hours ago

• [@simonlewis](#) You're not the only one tonight. Is voluntary redeployment real? [#edchatie](#)
fboss 12 hours ago

• [@davidwalsh247](#) [@fboss](#) 50km is that all ??? [#edchatie](#)
johnmayo 12 hours ago

• [@fboss](#) [@davidwalsh247](#) distance was to be increased but it didn't happen in negotiations [#edchatie](#)
levdavidovic 12 hours ago

• [#edchatie](#) Redeployment also affects the seniority lists in the school - which can caused some animosity unfortunately!
mjpurcell80 12 hours ago

• [@KevinCahill5](#) yes to that, should make principal aware of willingness to redeploy if over quota [#edchatie](#)
levdavidovic 12 hours ago

• [@mjpurcell80](#) Hope it's working for you - it can be a bit slow, but makes it easy to keep up with the one hashtag [#edchatie](#)
fboss 12 hours ago

• [@susanleahy](#) [@gcouros](#) Yeah - loved the whole story about Identity Day. Someone on [#edchatie](#) wanted an exercise on self esteem [#glovefits](#)
fboss 12 hours ago

• [@fboss](#) I've heard the term on the radio when they're talking about civil servants but never in front line education [#edchatie](#)
simonlewis 12 hours ago

• [@johnmayo](#) My understanding is that it's along the lines of last in = first redeployed. Am open to correction though [#edchatie](#)
fboss 12 hours ago

Pilot scheme to run this year in northwest, 'blackspots' for subjects to be identified, teachers to be redeployed into vacancies [#edchatie](#)
levdavidovic 12 hours ago

Could be interesting if you teach a good distance from home-I am about 30km- petrol prices becoming an issue.how about others? [#edchatie](#)
KevinCahill5 12 hours ago

I don't think vol. dep. is available for primary teachers, but other sectors in public sector can avail of it. Is this fair? [#edchatie](#)
muirfoynes 12 hours ago

Is voluntary development just something that happens in secondary due to no panel at present?[#edchatie](#)
dhudaigh2710 12 hours ago

"@fboss: @simonmlewis You're not the only one tonight. Is voluntary redeployment real? [#edchatie](#)" great question Fred...
subkitemu 12 hours ago

stands up at the back of the bus and yells I don't know what a voluntary redeployment is.... [#trackermortgage](#) [#edchatie](#)
PrimEdTeacher 12 hours ago

@simonmlewis @fboss voluntary redeployment is real though, would love to know who suggested topic for weeks and is now quiet! [#edchatie](#)
levdavidovic 12 hours ago

@simonmlewis I thought the whole redeployment of the Civil Service fell through anyway? [#edchatie](#)
fboss 12 hours ago

[#edchatie](#) Going to leave this one. Seems to be more for the secondary folk? We will all probably find out about it in the future with CP2
hicksoc4 12 hours ago

+ MT @simonmlewis: @fboss I've heard the term on radio when they're talking about civil servants but never in front line education [#edchatie](#)
PrimEdTeacher 12 hours ago

Can't really add much to tonight's discussion [#edchatie](#)
pamelaaobrien 12 hours ago

@dhudaigh2710 there are redeployment panels at secondary but not the same security as primary, casualisation is a growing problem [#edchatie](#)
levdavidovic 12 hours ago

@levdavidovic @simonmlewis @fboss It's a strange topic as none of us know anything about it! [#edchatie](#)
7MJB 12 hours ago

[#edchatie](#) pity the topic isn't voluntary employment
 bcuneen 12 hours ago

whispers Unless the [#edchatie](#) vote was rigged... Not much of a turnout tonight for all the votes it got!
 muirfoynes 12 hours ago

@7MJB @levdavidovic @simonlewis I have read the literature, but have to yet to see it in the real world. Surely it must happen? [#edchatie](#)
 fboss 12 hours ago

@7MJB @simonlewis @fboss I know about it and was dying to see who was interested enough to propose it but... [#edchatie](#)
 levdavidovic 12 hours ago

[#edchatie](#) Can we hijack the topic and talk about unemployed teachers?
 johnmayo 12 hours ago

@mjpurcell80 Is seniority not being "phased out" in the next year or so? It is with regard to posts [#edchatie](#)
 fboss 12 hours ago

Was there not a case a few years ago where a school refused to take on teachers from a school that was shutting down due to ethos [#edchatie](#)
 dhudaigh2710 12 hours ago

What topic came second? Could we talk about it instead lol [#edchatie](#) ;-)
 ffarry1 12 hours ago

@levdavidovic I like the idea of parachuting teachers behind the lines to fill the gaps in subjects :-)
 fboss 12 hours ago

@fboss @mjpurcell80 seniority as consideration for promotion being reduced as a weighting in interviews, but will still be around [#edchatie](#)
 levdavidovic 12 hours ago

@levdavidovic Would it not make more sense to allow students to attend lectures virtually in other schools? [#edchatie](#)
 fboss 12 hours ago

@dhudaigh2710 ethos is a big giant elephant in the room of teacher employment! [#edchatie](#)
 levdavidovic 12 hours ago

• [@fboss](#) pt staff can have pple redeploy. into their positions. Perm staff last in 1st out butnot if ur school is short in ur subject [#edchatie](#)
kookychemist 12 hours ago

• [@dhudaigh2710](#) still possible to discriminate against a teacher on religious grounds BY LEGISLATION!! [#Edchatie](#)
levdavidovic 12 hours ago

• [@levdavidovic](#) [@dhudaigh2710](#) [#edchatie](#) had three teaching interviews this academic year -ethos never came up once
johnmayo 12 hours ago

• [@fboss](#) ninja teachers! [#edchatie](#)
levdavidovic 12 hours ago

• [@kookychemist](#) So, redeployment will happen tp you if you're needed elsewhere? That's not very voluntary? [#edchatie](#)
fboss 12 hours ago

• [#edchatie](#) Some nice animations on Seanfhocail as [#gaeilqe](#) on Portmarnock Community Schools' website <http://t.co/x6s3Ebm8n6>
domaho 12 hours ago

• [@fboss](#) yes but would also make sense to invest in those schools so they had screens in one and teachers in the other [#edchatie](#) [#resources](#)
levdavidovic 12 hours ago

• [@fboss](#) no but PWT seniority list makes it a worry for next year. Just adding more stress in teaching with so many changes going on [#edchatie](#)
NewEnglishBlog 12 hours ago

• Disgraceful > MT [@levdavidovic](#): [@dhudaigh2710](#) still possible to discriminate against a teacher on religious grounds BY LAW!! [#Edchatie](#)
muirfoynes 12 hours ago

• [@johnmayo](#) [@dhudaigh2710](#) ethos doesn't come up if you fit the profile already [#edchatie](#)
levdavidovic 12 hours ago

• [@levdavidovic](#) Heard that some schools are using ICT to fill the gaps in things like Applied Maths, where there are few teachers [#edchatie](#)
fboss 12 hours ago

• [@muirfoynes](#) HMmmmmm - I'm wondering too [#edchatie](#)
fboss 12 hours ago

• Boys believe the stereotype that girls are better at academics: <http://t.co/9FF6Kxawm4> (via [@anniemurphypaul](#)) [#edchatie](#) [#edchat](#)
levdavidovic 12 hours ago

• [@levdavidovic](#) [@dhudaigh2710](#) profiling in interviews occur alright - "best I heard this year - overqualified" ! [#edchatie](#)
johnmayo 12 hours ago

• [@johnmayo](#) Can unemployed teachers, registered with the Teaching Council be redeployed? Or avail of anything from it? [#edchatie](#)
fboss 12 hours ago

• [@fboss](#) schools over quota have their teachers sent to fill part time positions elsewhere, never heard 'voluntary' mentioned [#edchatie](#)
kookychemist 12 hours ago

• [@johnmayo](#) [@DaireKeogh](#) Yes - here's a 2007 ASTI leaflet about it <http://t.co/fapacVL9jy> [#edchatie](#)
fboss 12 hours ago

• [@kookychemist](#) Same here. Is the term "Voluntary Redeployment" a misnomer then? [#edchatie](#)
fboss 12 hours ago

• [@fboss](#) [@kookychemist](#) people only redeployed into available permanent posts, sometimes affects insitu teachers [#edchatie](#) cc [@evelynoconnor](#)
levdavidovic 12 hours ago

• [@johnmayo](#) [@levdavidovic](#) [@dhudaigh2710](#) "Overqualified" would surely be a boon to a school? Looking to up their game? [#edchatie](#)
fboss 12 hours ago

• [@fboss](#) [@kookychemist](#) vol redeployment is separate and hasn't begun yet [#edchatie](#)
levdavidovic 12 hours ago

• [@fboss](#) could come from decentralization days but in school it's more like a yearly fear hanging over those at the bottom [#edchatie](#)
kookychemist 12 hours ago

• [#edchatie](#) Redeployment is different in the VEC sector, they can decide to redeploy based on need, primary is last in first out. Sean.
soconfhaola 12 hours ago

• Not a misnomer- teachers in over-quota school can put themselves forward voluntarily for change of school. May not be granted [#edchatie](#)
KevinCahill5 12 hours ago

• we've had a number of teachers redeployed into us over last two years but it wasn't voluntary. Their schools were overquota [#edchatie](#)
culanomeara 12 hours ago

• [@levdavidovic](#) [@kookychemist](#) That makes sense - so there is "Voluntary Redeployment" and also "Redeployment" [#edchatie](#)
fboss 12 hours ago

• [#edchatie](#) Sorry guys- extremely late. What's the topic tonight?
m2thefizzle 12 hours ago

• [#edchatie](#) is the current model of teacher employment broken esp at 2nd level
johnmayo 12 hours ago

• [@kookychemist](#) Or, it seems, over those who are a subject teacher too many [#edchatie](#)
fboss 12 hours ago

• [#edchatie](#) add a ?
johnmayo 12 hours ago

• afaik teachers can volunteer for redeployment but once they do have no say about where they end up. doesn't sound very appealing! [#edchatie](#)
culanomeara 12 hours ago

• [@fboss](#) [@kookychemist](#) yup, and like I said voluntary scheme only just getting up and running [#edchatie](#)
levdavidovic 12 hours ago

• [@fboss](#) yes- not sure how many opt for voluntary but could an useful for those looking to relocate. Every cloud.... [#edchatie](#)
KevinCahill5 12 hours ago

• [@johnmayo](#) broken how? [#edchatie](#)
levdavidovic 12 hours ago

• [@KevinCahill5](#) [#edchatie](#) Y have seen this happening-Sorry folks working on <http://t.co/ugKQwTRS3v> site 2nite "curricular needs"come into play
domaho 12 hours ago

• [@culanomeara](#) You're the 1st tonight to be able to say you actually know of teachers who have been redployed. How've they found it? [#edchatie](#)
fboss 12 hours ago

• [@culanomeara](#) they have right to refuse destination school but can't be redeployed that year if they refuse [#edchatie](#)
levdavidovic 12 hours ago

• [@m2thefizzle](#) Tonight's [#edchatie](#) topic is "Voluntary Redeployment". We've 10 official minutes left discussing it. <http://t.co/3UfM7qNZ8h>
fboss 12 hours ago

• [#edchatie](#) I may be wrong but I think Oz teachers operate a 8yr contract which give a bit of security & flexibility
johnmayo 12 hours ago

• [@fboss](#) one has been moved three times! so has had her fill of it others happy! [#edchatie](#)
culanomeara 12 hours ago

• [#edchatie](#) "curricular needs" come into play - That's in relation to Voluntary Redeployment not the website ;)
domaho 12 hours ago

• [@KevinCahill5](#) Agree - but Vol. Dep. sounds like a lucky-dip that might not always give you what you want [#edchatie](#) You can always say no
fboss 12 hours ago

• [@fboss](#) [@KevinCahill5](#) lucky dip is a good way of putting it [#edchatie](#)
levdavidovic 12 hours ago

• [@fboss](#) [@culanomeara](#) [#edchatie](#) sorry I'm so late. Might be just as well. I know couple of teachers redeployed against wishes. Bad system.
evelynconnor 12 hours ago

• [@culanomeara](#) 3 times is not good, for the teacher or for their student. Kids need stability [#edchatie](#) (teacher too)
fboss 12 hours ago

• [#edchatie](#) needs saying too that majority of those who wish to redeploy would be going urban to rural, esp out of Dublin
levdavidovic 12 hours ago

• [@fboss](#) Thanks! Is that mostly for secondary teachers? Haven't come across "voluntary" in primary- unless u apply for another job! [#edchatie](#)
m2thefizzle 12 hours ago

• [@evelynconnor](#) Was it not "voluntary" then? [#edchatie](#) but instead it was redeployment only
fboss 12 hours ago

• [@m2thefizzle](#) Yes - second level teachers only need apply (to voluntary redeployment - it seems) [#edchatie](#)
fboss 12 hours ago

• the regular system involves principal nominating teacher for redeploy. They have to justify their choice. Not always transparent [#edchatie](#)
culanomeara 12 hours ago

• [@levdavidovic](#) Interesting. So teachers might view it as the Govt did with de-centralisation in that case [#edchatie](#)
fboss 12 hours ago

• MT [@CathalMacCoille](#) Dept of [#Education](#) has analysed private [#schools](#) funding, report on Tuesday's [@morning_ireland](#) [#edchatie](#)
foxcavan 11 hours ago

• [@fboss](#) No. Have heard redeployment referred to as the scrappage scheme. Can be used to move around teachers management don't want [#edchatie](#)

evelynoconnor 11 hours ago

• [@culanomeara](#) Does the teacher have any comeback if they don't like being nominated? [#edchatie](#)

fboss 11 hours ago

• [@fboss @culanomeara #edchatie](#) very little. Know of teacher who's been moved 3times. And taken non-perm teachers jobs 3 times. Wrong.

evelynoconnor 11 hours ago

• With 3 official mins to go to tonight's [#edchatie](#) discussion it'll be tweeted online [@chirpstory](#) and over here <http://t.co/3UfM7qNZ8h> too

fboss 11 hours ago

• [@fboss](#) i'm aware of situation where teacher well up seniority list was nominated. It was fought, teacher won. V messy [#edchatie](#)

culanomeara 11 hours ago

• [#edchatie](#) New circular came out last week for primary sch. Panel teachers who r loosing their job can now b redeployed to temp jobs

m2thefizzle 11 hours ago

• Voluntary Redeployment topic was a slow burner on tonight's [#edchatie](#) but has got interesting now

fboss 11 hours ago

• [#edchatie](#) not sure who proposed tonights topic but glad I missed most of it. System grossly unfair to the 25% of teachers who are non-perm

evelynoconnor 11 hours ago

• [#edchatie](#) That means less jobs eg: career break work for NQTs as permanent ts who r loosing jobs are being redeployed to these positions

m2thefizzle 11 hours ago

• [@evelynoconnor](#) You can read it all tomorrow over at <http://t.co/3UfM7qNZ8h>the [#edchatie](#) wiki

fboss 11 hours ago

• [@evelynoconnor](#) but eyed jealously by those who have no job [#edchatie](#)

johnmavo 11 hours ago

• [@evelynoconnor](#) agree and only going to get worse with CP2 and sick leave cover [#edchatie](#)

culanomeara 11 hours ago

• [#edchatie](#) Know excellent teacher; said to new principal directly: I'm not crap, I was just last in. Perception v neg of redeployed teachers

evelynoconnor 11 hours ago

• [@johnmayo](#) we're pushing part timers out the door too with new system on the way [#edchatie](#)
culanomeara 11 hours ago

• Thanks to everyone who took part in tonight's [#edchatie](#) Feel it's only getting going at the end. Feel free to keep tweets flowing though
fboss 11 hours ago

• [@johnmayo](#) [#edchatie](#) treating workers like crap is never justified just because unemployment exists. FACT.
evelynoconnor 11 hours ago

• [@culanomeara](#) agree, but alternative is redundancies [#edchatie](#)
levdavidovic 11 hours ago

• [#edchatie](#) Sounds horrendous in secondary school! Didn't know that could be done.
m2thefizzle 11 hours ago

• [@mjpurcell80](#) Thanks for taking part - hope tweetchat worked out for you. You could also try out tweetdeck. I use it all the time [#edchatie](#)
fboss 11 hours ago

• [@levdavidovic](#) [@culanomeara](#) so it's OK to treat the minority like crap as long as the majority are protected? [#edchatie](#)
evelynoconnor 11 hours ago

• [@evelynoconnor](#) have you read [#crokepark](#) 2 on fixed term redeployment? [#edchatie](#)
levdavidovic 11 hours ago

• [@m2thefizzle](#) [#edchatie](#) blood boiling here. This topic is bad for my health (heads to kitchen to pour stiff drink).
evelynoconnor 11 hours ago

• [@evelynoconnor](#) Or perm teachers having this "job entitlement" complex [#edchatie](#). No one should feel that they are entitled to their job
johnmayo 11 hours ago

• [@evelynoconnor](#) [@culanomeara](#) Evelyn you know that's not what I meant [#edchatie](#), redundancies for fixed termers too would follow
levdavidovic 11 hours ago

• Deployment seems to have a bad reputation but cud be utilised for good if more were open to it & left negative connotations aside. [#edchatie](#)
muirfoynes 11 hours ago

• [#edchatie](#) I better stop. trying to fillout application form & need to be in positive state of mind.
johnmayo 11 hours ago

• [@levdavidovic](#) [@culanomeara](#) [#edchatie](#) I know, apologies. Just can't see e wood for the trees on this one. Too close to the bone for me :-(
evelynoconnor 11 hours ago

• Thanks [@fboss](#), glad the topic got done and now we can move on. (Maybe get proposer to append name?) [#edchatie](#)
levdavidovic 11 hours ago

• [@culanomeara](#) [#edchatie](#) this is where they have us by the throat. Those not working will accept crap conditions just to get a job. Unfair.
evelynoconnor 11 hours ago

• [@evelynoconnor](#) [@culanomeara](#) Actually it is "any" conditions when you have payments due [#edchatie](#)
johnmayo 11 hours ago

• [@evelynoconnor](#) the nurses didn't so take 'anything' [#edchatie](#)
culanomeara 11 hours ago
